

JOIN THE CONVERSATION ABOUT MENTAL HEALTH CRISIS PREVENTION

#myMHconvo

ATTEND A LOCAL EVENT DURING NATIONAL PREVENTION WEEK

In Milwaukee County, an estimated 180,000 people suffer from a mental illness. Many Behavioral Health Division partners are hosting events as part of Mental Health Awareness Month. Attend a local event to learn more about how you can prevent mental illness, get appropriate treatment and start the journey to recovery.

DID YOU KNOW?

Studies show, prevention of a mental health crisis is possible.
